Join in the excitement and enthusiastic Santee community support for hundreds of youth and their families

Kiwanis®

Kiwanis Club of Santee

Dear Friend of Santee Kiwanis,

Santee Kiwanis Club is asking for your support of the **2024 Kiwanis/Santee School District Jr. Olympic Track meet** to be held at **West Hills High School on April 20th**.

The Club pays all meet expenses and coordinates activities for athletes, teams, coaches, officials and volunteers. This can't happen without your generous support for our community, and aids Kiwanis in supporting student Key Clubs at WHHS and SHS and a host of local service projects and scholarships for local High School seniors. <https://www.santeekiwanis.org/>

Santee School District schools will participate. Coaches, students and school teams have truly enjoyed competing for personal and school awards and the opportunity to show their athletic skills. Ribbons are awarded to the top three places in each heat and field event, and a perpetual team trophy will be presented to the winning school.

Two thousand Santee spectators and participants are expected at the meet along with local media coverage.

We want everyone to know you are making this possible in several ways:

- Sponsor recognitions and space for **business advertisements in the Program/schedule**
- Placement of your business in pre- and post-event social media posts and websites
- Placement of your **BUSINESS BANNERS** in a prominent place **AT THE ENTRANCES AND IN FRONT OF THE STANDS** at the stadium
- **Public announcement and recognition during the events**

For sponsorships email or call A.J. Tota ajtota@gmail.com (619) 500 4299 for instructions and registration.

For sponsorships: A.J. Tota ajtota@gmail.com (619) 500 4299 for instructions /registration.
